

Arthur M Holmes Limited – Terms and Conditions

By placing an order for products (“an order”) with Arthur M Holmes Limited (“us” / “we”) via our website, by telephone, by email, or in person at our showroom, the customer (“you”) agrees to be bound by the following terms and conditions:

1. Supply of products to you

1.1 All of our products for sale (“products”) are listed on our website. However products are subject to availability and the fact that a product appears on our website may not be indicative of stock levels or availability. While we do our best to ensure that the information on our website is accurate, we recommend that you contact us via telephone or email to confirm product availability.

1.2 Product dimensions listed on our website are approximate only.

1.3 We reserve the right to add, amend, or remove products on our website at any time. If product availability changes after you have placed an order and paid, we will let you know and do our best to help you find an alternative or provide you with a refund.

1.4 It is your responsibility to ensure that the product/s and/or closure/s you purchase are fit for purpose. All product information on our website is for general information only. Any reliance placed by you on the product information on our website is at your own risk. We highly recommend requesting a sample of our product/s prior to placing a full order. This allows you to:

- test the product is fit for purpose;
- ensure any labels or packaging fit the product dimensions (as the product dimensions listed on our website are approximate);
- check the colour of the glass and/or closure is suitable (as particular shades can differ to what is seen on screen);
- test the intended use of the product, the seal, filling quantity to avoid leakage, trial sterilising method, ensure container style and appropriate material choice etc; and
- check the closure you select is fit for purpose – see ‘closure information’ on our website to help inform your choice and contact us to request a sample for testing.

1.5 To request a sample you will need to contact us via telephone or email with the product code of the sample you require and your shipping details. Samples are free of charge however you will be charged for the cost of shipping them to you. Alternatively product samples can be collected from our showroom in Petone by prior arrangement (in which event no shipping cost will be payable). You can request a limit of three (3) samples of the same product. If you require more than three (3) samples per product these will be charged at the per unit cost.

1.6 We will not be liable for any loss or damage whatsoever arising in connection with the use of our products that results from a failure to test the intended use prior to purchase.

1.7 You are recommended to thoroughly wash all products after purchase and prior to filling. All our products are supplied clean, but not in a sterile condition. We will not be liable for any loss or damage whatsoever arising in connection with the use of our products that results from a failure to adequately clean or sterilise them after purchase.

2. Pricing

2.1 All of the listed prices on our website are in \$NZD and exclude Goods and Services Tax ("GST"). Product prices may change at any time without notice.

2.2 GST and freight costs will be added to your total order cost. Freight costs may change at any time without notice.

2.3 It is most cost effective to place your order in carton or tray quantities. Individual units require picking and repacking which increases the per unit cost.

2.4 We offer discounted product pricing for orders over 1000 units of the same product and for bulk packaged pallets when available. Orders over 1000 units are supplied to the nearest full carton/tray over 1000 units, therefore if carton/tray numbers do not divide evenly to your request we will round it to the next carton/tray. Please use the 'enquiry' button on the product page to receive a quote.

2.5 Full pallets: Because full pallets are sold in bulk packaged form (i.e. the jars/bottles are not packed in trays or cartons), we can offer you a cheaper pallet price per 1000 unfitted. These are often imported containers held in our store, or containers sourced directly from our Auckland-based glass manufacturer, Visy Glass Operations (NZ) Limited ("Visy"). If you would like to discuss bulk packaging, please contact us. Note that to purchase full pallets you may have to pay a pallet deposit or layer board refundable charge, as well as freight charges if your pallet is sourced directly from Visy. Refunds in relation to full pallets will only be given when the empty pallets or layer boards have been safely returned undamaged, either to Visy (crediting our account number 10023) or to the pallet manufacturer Chep (crediting our account number 6400437697). To ensure you receive a refund you will need to send us a copy of your consignment note, with exact details of what was returned.
